

## Ascom Myco 3

### Approved accessories for optimized mobile workflows

*Maximize the performance of the Ascom Myco 3 smartphone. Help ensure constant uptime with a range of battery and charging solutions. Use Ascom-tested headsets for easy handsfree operation. Protect and personalize with screen protectors, sturdy carrying clips and color-coded tags.*

#### **Maximize availability and operation**

Help ensure constant operation during long shifts with battery packs, battery pack chargers, wall- and table-mounted chargers (single and rack), USB charging cables, power supplies for all plug and socket types.

#### **Handsfree productivity**

For handsfree operation on the go, simply plug in the Ascom-approved headset with cable mic. Or use the boom headset, together with its quick-disconnect adapter.

#### **Screen protection for extra durability**

Help maximize the lifetime of your Ascom Myco 3 smartphones with screen protectors. These protectors help ensure optimal viewing and user interface with the full high-definition 5" screen.

#### **Make it personal, keep it close**

Use color-coded tags to quickly identify specific Ascom Myco 3 smartphones. Spare back covers with optional carrying clips are also available.
